PROPERTY HISTORY

Route 2 Commerce Park, a single-story office/manufacturing/distribution facility, was built by Digital Equipment Corporation in phases between 1975 and 1980. The property was purchased by Simplex Time Recorder, Inc. in 1992 and fully renovated and upgraded for the manufacturing of their Security and Fire Protection products.

CAMPUS LOCATION

Route 2 Commerce Park is strategically situated in Westminister at the intersection of Route 2 and Route 40, just 18 miles from I-495, 24 miles from Worcester and 53 miles from Boston—providing direct access to key New England markets and a highly skilled and educated workforce. The property offers dramatic frontage on Route 2, easy accessibility and clear highway visibility.

FLEXIBLE LAYOUT AND PARKING

The 685,000 square foot complex maintains the amenities and prestigious facade that is expected from a world-class headquarters building. The site provides 1,593 parking spaces and is subdividable to accommodate users as small as 65,000 s.f.

ROBUST INFRASTRUCTURE & HIGH-TECH SYSTEMS

The facility provides users with heavy power—17,500 amps, 13,800 volts, 3-phase power (with 4,000 amps / 480 volts / 3 phase per core) and two back-up generators (450KW and 175KW). The site is serviced by municipal water and sewer. The building is equipped with state-of-the-art telecommunications (T1 lines), a raised-floor data center and a modern security system with surveillance cameras.

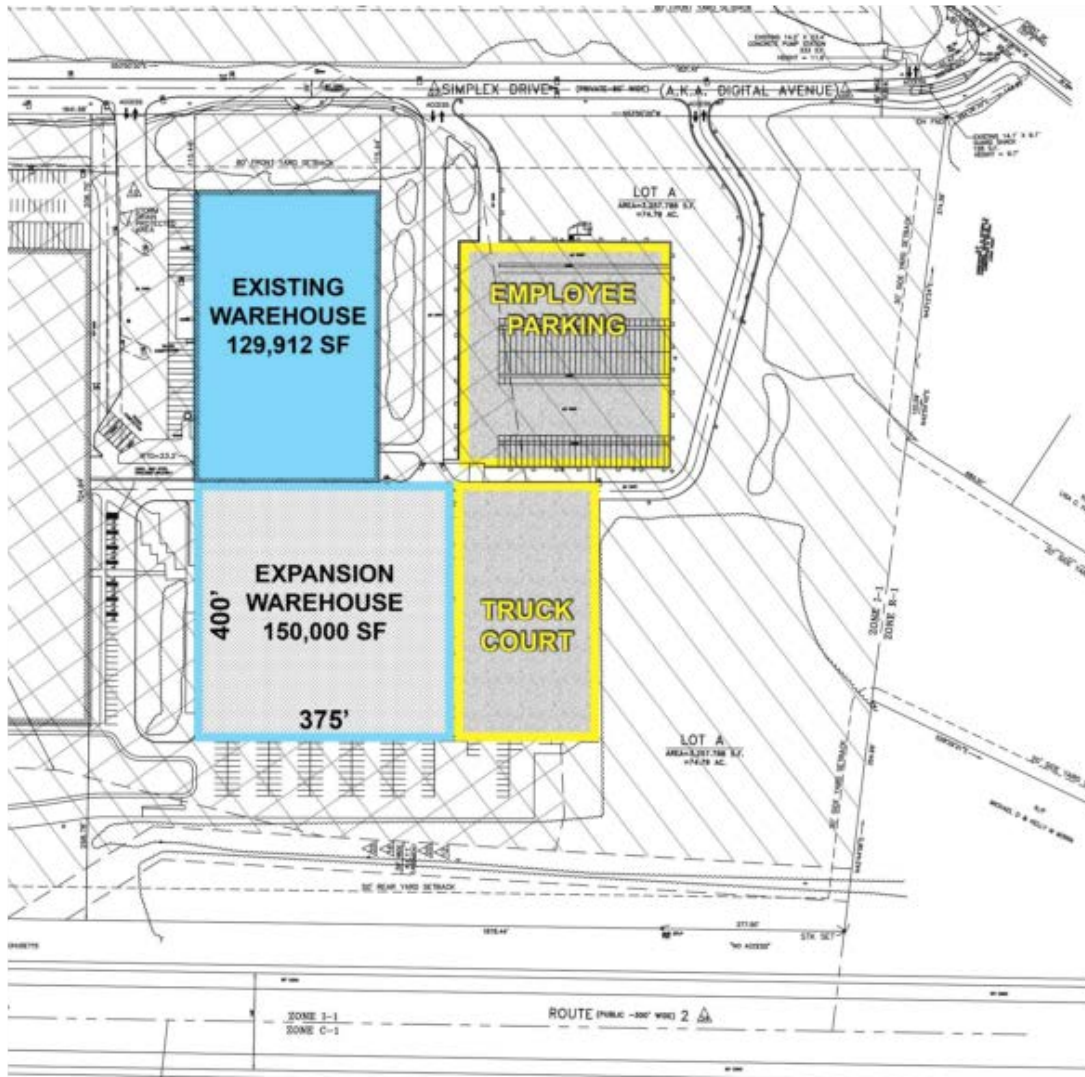

UNIQUE CORPORATE AMENITIES

Route 2 Commerce Park offers a prestigious image and an array of unique benefits for companies looking to establish corporate headquarters at the campus. Building amenities include a distinguished facade, formal entry, full-service cafeteria, impressive conference rooms, abundant parking and more. Landmark campus amenities include a lush, wooded setting on 95 acres, with ponds, recreation paths and picnic areas.
